*Hello from...
... Steve Clarke*

Eight years ago, my partner Vince and I were living near Burford, but although we loved the area, the estate didn't have any real community spirit. An internet search found a house available in Eastleach, a village we'd never seen or even heard of before. One snowy Sunday, we found the village, and fell in love. Unfortunately, the property had already been snapped up, but the estate agent suggested number 29 - and although it needed a lot work and love, we've created a real home for ourselves.

I work from home for an oil company as a marketing manager. Vince worked for 27 years at John Lewis as IT Manager for their distribution centres, but has now retired following a stroke and heart attack three years ago. It was at this difficult time that we realised how lucky we were to live in Eastleach, as our friends and neighbours really did give us amazing support.

Vince is a keen gardener, developing from scratch an amazing oasis of colour, with palms and bananas mingling with roses and magnolias! He even finds time to help friends and neighbours with their plots.

We've always tried to get involved with the community, running the tombola at the fête for four years, and the bar at the village hall and community events.

I built and manage the village website, www.eastleach.org which has proved very popular with locals, as well as people planning a visit to Eastleach. It attracts around 5,000 visitors a month, so I'm hoping to be able to place adverts for local businesses with profits going to village hall funds.

Vince & I got married at Christmas 2019 in Mexico, and had been planning a party in the village, to celebrate and thank our friends - but COVID-19 put paid to that.

During lockdown we kept busy by bringing the old donkey paddock in the centre of the village back to life. Chickens, ducks, and the goats Freeman, Hardy & Willis have all settled in. We also keep rescued ex-battery hens on part of the allotments, and are happy to keep our neighbours supplied with their free-range eggs.

SOUTHROP PUMPKIN HUNT

Saturday, 31st October between 10am and 8pm

This year, Southrop School PTA came up with an inventive way to have some Hallowe'en fun, in a COVID-safe way. They organised a Pumpkin Hunt around the village - which did not involve knocking on doors. A pumpkin map was produced, showing the locations of 12 houses which were taking part, and where pumpkins were displayed along with letters of the alphabet. By collecting all the letters, four spooky words could be made - which will be revealed by the PTA on Monday, 2nd November. It was a free event, but donations can be given to Southrop School PTA via the school or any member of the PTA.

ANGLICAN CHURCH YOUTH WORKER UPDATE

Chris Saunders and family
enjoying a break at Loch Ness

Like everyone else, the shape of everyday activities has greatly changed for me as South Cotswolds Team Youth Worker in recent times. There has been a need to be creative in looking for the best ways to give support, so here's a brief summary of my new roles with schools, students and clubs.

With schools understandably reluctant to invite in any extra supporters, I have been taking Collective Worship sessions via online Zoom meetings or prerecording a message in advance for a school. I have just been given permission to recommence the important role of mentoring at the secondary school, and already demand is exceeding the available space allocation! In addition, it has been a key

time to support students going away from us to a confusing and uncertain start to life in new surroundings.

Clearly there have been limitations in running evening youth clubs but our Tuesday evening Quench discussion group has been able to thrive despite the restrictions.

In this age of increased technology, it seems that young people still crave close face-to-face relations, and social activities are greatly missed. Through all this uncertainty we continue to encourage young people to consider our unchanging God and ask for your prayers as they navigate their way through the uncertainty that has torn away many established foundations.

Chris Saunders

THANK YOU...

... to everyone who helped in the recent tidy up of St Swithin's churchyard, and to those who contributed to the fundraising by donating online through JustGiving. We raised a total of £120 (including Gift Aid) for the Gloucestershire Historic Churches Ride and Stride event. Half the money raised will be returned to support our local churches.

EASTLEACH CHURCH WARDEN

Eastleach PCC is delighted to announce that at their Annual Parish Church Meeting on Wednesday, 8th October, Tim Lawson was formally elected as Church Warden.

REMEMBRANCE - THE ROYAL BRITISH LEGION

Jacqueline Hurley

Remembrance honours those who serve to defend our democratic freedoms and way of life. We unite across faiths, cultures and backgrounds to remember the service and sacrifice of the Armed Forces community from Britain and the Commonwealth. We pay tribute to the special contribution of families and of the emergency services. We acknowledge innocent civilians who have lost their lives in conflict and acts of terrorism.

Remembrance does not glorify war - its symbol, the red poppy, is a sign of both remembrance and hope for a peaceful future. Wearing a poppy is

never compulsory but is greatly appreciated by those who it is intended to support. When and how you choose to wear a poppy is a reflection of your individual experiences and personal memories.

Remembrance unites people of all faiths, cultures, and backgrounds but it is also deeply personal. It could mean wearing a poppy in November, before Remembrance Sunday. It could mean joining with others in your community on a commemorative anniversary. Or it could mean taking a moment on your own to pause and reflect.

Everyone is free to remember in their own way, or to choose not to remember at all.

In every act of remembrance, we honour the memory of the fallen and pledge to care for the living. We will remember them.

A MESSAGE FROM CHEQS POPPY APPEAL TEAM

The COVID-19 pandemic has left some in the Armed Forces community, as in many others, in dire need of urgent help and support. Whilst we are not able to visit from door-to-door this year, there are many other ways you can support the Poppy Appeal and the work of the Royal British Legion. Poppies will be available from many Sainsburys, Aldi, Morrison's and Tesco stores, and volunteers will run collection stands in other supermarkets and sites where possible. Locally poppies will be available from the following locations:

Post Office, Coln St Aldwyns
Hatherop C/E Primary School
The Keepers Arms, Quenington
Southrop Village Hall and Post Office
Southrop C/E School

The New Inn, Coln St Aldwyns
Hatherop Castle School
Xylem, Quenington
Thyme Hotel, Southrop
Victoria Inn, Eastleach

Donations can also be made online at www.rbl.org.uk/poppyyappeal
or by telephone 03458 451941

Thank you for your support!

COLN PARISH COUNCIL SEEKS NEW COUNCILLOR

After many years of service, Terry Davidson is retiring from Coln St Aldwyns Parish Council. The councillors are extremely grateful to Terry for everything he has done for the PC, and for village life as a whole. A new parish councillor is now needed, so do consider whether this is something you might be suited for.

The Council meets four times a year, and also hosts a Village Meeting in May. If you are a resident of Coln St Aldwyns, and would like to volunteer for this role, please contact the clerk, Clare Brignall on colnsaparishclerk@gmail.com or if you have any questions to ask before you make a decision, get in touch with the chair, David Hicks Beach d.hicksbeach@btinternet.com or 750482 who will be delighted to help.

NEWS FROM THE SCHOOLS

Southrop Church of England Primary School *Together We Can Fly*

Julia McLellan: The current situation is forcing us to be inventive about every aspect of school life. We have had a few children off as a precaution due to family members having COVID-19 tests; happily none of these resulted in a positive test. In this situation we are able to send out home-learning via our online portal and some children have even been able to join their lessons virtually.

For our Harvest celebration the children prepared artwork, poems and researched harvest traditions around the world. Mrs Giles then kindly put them into a beautiful display which was shown in Church and outside school. We will be doing something similar for Remembrance Sunday.

For our worship, the whole school gathers daily in the playground, now donning coats rather than basking in the sunshine. We are determined to continue for as long as the weather allows - it makes for a very upbeat and energising start to the day! Our Deanery Youth Worker and Open the Book team have sent us virtual worship videos and presentations.

We also participated in the Cheltenham Literature Festival online, enjoying talks by authors such as Katherine Rundell and Lauren Child, and drawing along with many illustrators. Please take a look at our redesigned website for our latest news: www.southrop.gloucs.sch.uk/

THE BIG QUIZ NIGHT

Saturday, 14th November (video-conferencing, approximately 7.30pm-9pm)

SOUTHROP PARISH COUNCIL NEWS

New website

Southrop Parish Council has recently commissioned a new website for the village, from Bulldog Websites, Fairford. The new website makes it much easier for us to make updates. On the Parish Council page, you will find agendas, minutes and notices, and the Annual Parish Newsletter which was published this year instead of the Annual Parish Meeting. Visit <https://southrop.org.uk> to view pages for all the village organisations.

Stylish new stiles (and footbridge)

Anyone who has taken the opportunity to enjoy a walk around Southrop recently may have noticed a few improvements to the footpaths. Thanks are due to Malcolm Higgins (the Cotswold AONB Voluntary Warden who takes responsibility for footpaths around Southrop) and his volunteers. They have been working hard to improve signage, replace worn out stiles, clear footpaths, and replace the broken footbridge by the river Leach near Baxter's Farm.

Trees

At the beginning of the year Southrop Parish Council made an application to the Woodland Trust for one of their free community tree packs. This was successful and Southrop is expecting to receive the Wildlife pack (420 saplings: hawthorn, rowan, silver birch, hazel and common oak) in November. Planting these for the community to enjoy is going to be a big challenge so if you are willing to lend a hand, please email Russ Giles russ.giles@gmail.com.

ADVENT CHRISTINGLE SERVICE

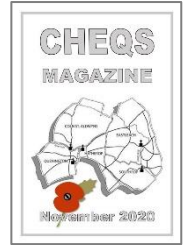

The season of Advent begins at the end of November this year. Advent is the church's time of preparation and looking forward to celebrating the time when Jesus came to the Earth in human form, over two thousand years ago.

This year, the CHQ churches hope to hold a Christingle service to mark the start of Advent. If you do not know what a Christingle Service is all about, do come along and find out - it is suitable for people of all ages! **Due to COVID lockdown, this will either have to be cancelled or postponed - watch for details on CHQ notice boards!**

CHEQUES FOR CHEQS - SOME 'THANK YOU'S!

Not actual cheques, though, as we now operate online banking!

I'm sure all the CHEQS Magazine readers would join me in thanking several of our Parish Councils for each giving the magazine a generous £100 to help keep the funding at a secure level. We generally rely on income from our advertisers to pay the printing costs, but we are also trying to build up a small reserve in case of a shortfall. So, many thanks to the parish councils of Coln St Aldwyns, Quenington, and Southrop.

We will shortly be contacting our advertisers to check if they would like to continue advertising in 2021, but if any other businesses would like to take out an advert - either for the whole year, or just for a month or two, please get in touch. Also, if any CHEQS residents have recommended electricians, heating engineers or plumbers, do ask them if they would like to advertise in the magazine.

I would like to take this opportunity to thank the magazine support group, and all the various co-ordinators and deliverers - you do a great job each month (and doesn't it come round quickly?!) ensuring that 800 copies are put through the front doors of the CHEQS residents each month. THANK YOU! *Margaret Stranks, editor*

ANOTHER 'THANK YOU' MESSAGE

From Win Berry, Eastleach: A heartfelt message to all you wonderful friends who sent cards and letters with your happy thoughts of Graham '...always with a smile on his face'! This has brought great comfort to me and my family. Much love to you all, Win.

SOUTHROP CHURCH NEWS

HIDDEN BUSINESSES

If you live in CHEQS (especially Eastleach & Southrop!), you run a business from home, and would like to feature in **Hidden Businesses**, please contact the editor.

HIDDEN BUSINESSES

Behind the walls of some of our CHEQS residences, people are busy running small businesses.

This month we put the

SPOTLIGHT ON...

... Albee Yeend

I moved to Quenington in 2000 and simply don't know where the last 20 years have gone! I grew up in Gloucestershire, and also lived in Africa and London before returning to the county for work, and to live in Quenington.

I started making silver jewellery over 10 years ago, and what began purely as a hobby has now turned into a business. Whilst wearing one of my starfish necklaces, I was asked to make one for a friend - my first commission - and so began Albee Jewellery. My workbench is tucked under the stairs in my kitchen, and it's definitely the messy corner of the room!

Having worked in travel (organising holidays to Africa) I enjoyed beachcombing in South Africa, especially in Plettenberg Bay. I was inspired by the natural items I found, particularly the starfish, which are my most popular pieces. Other objects I've made are seed pods, shells - including the amazing Pansy shell - wishbones, tusks, poppy seed heads, acorns, hearts, and stars.

During lockdown, I started taking daily photos of flowers in my garden and the wildlife in the area. Having tried unsuccessfully to photograph my jewellery indoors, I decided to place the jewellery in the context of my garden, which made a really good combination - the colourful flowers really made the silver stand out. As well as making jewellery, I love being creative in other ways, and have started making cards, using photos of flowers and wildlife.

2020 has certainly been 'interesting', but lockdown allowed me time to progress with photography and to be more creative with my jewellery. Having worked so far purely with sterling silver and various gem-stones, I am now planning to branch out into gold, so I have plenty of challenges ahead.

To see some of my creations, have a look at my website or Instagram account, or feel free to get in touch for an appointment to view my jewellery or to talk about a commission to create a one-off piece.
