*Hello from...
Rachel Emmerson*

Stuart and I moved to this area 26 years ago, when he came to Swyre Farm with his brother, Anthony. The land has since been divided into two separate farms, with Anthony farming Swyre Barton & Stuart at Merryfield Farm.

We previously lived in South Nottinghamshire and thought we were settled in that area. However, we needed to expand the farm because of our growing families, so along with our three sons and Stuart's mother we moved to the Cotswolds.

It was hard to leave friends, but we soon made many new ones through village life - and particularly through the churches, both in the local villages and at Fairford United Church where we are actively involved each week. I play the organ on occasion at most of the CHEQS churches, as well as the piano at Fairford, and it has been good to get involved in village events such as carol services and harvest festivals.

Music has always been a big part of my life and when we moved here, I soon found piano pupils - both at home and working at Hatherop Castle and Farmors schools. I enjoy accompanying other musicians, so I play the piano for Coln Choir and also The Hill and Valley Singers, based at Chedworth.

My leisure activities get rather mixed up with my work as most of my hobbies are music based. I'm learning the cello, but not practising as much as I should (don't tell my piano pupils!). I also enjoy crosswords and quizzes. I took Classics at university, and although I never pursued a career in this, the knowledge of the make-up of words deriving from Latin and Greek is most useful in solving cryptic crossword clues.

During the lockdowns I felt very privileged to live in a rural area and to be able to walk in such beautiful surroundings. Life on the farm went on nearly as before, and with the benefits of modern technology I was even able to still give piano lessons. Now the situation is hopefully improving it has been a joy to be able to meet with friends for a coffee at our lovely Coln Stores and to join in the activities that are starting up again.

SATURDAY, 11TH SEPTEMBER

Historic churches need your support!

Once again, it is time for the annual

sponsored event to raise funds for the historic churches in our area and throughout the country. You can take part as an individual or with a team. You can cycle, ride a horse, walk or drive between churches for sponsorship - or do a churchyard tidy-up, for example (see below)! To find out more, including which churches are open, or to download sponsorship forms, go to <https://ghct.org.uk/ride-and-stride> or ask your local organiser:

Coln St Aldwyns: d.hicksbeach@btinternet.com

Hatherop: briansay@gmail.com

Quenington: anthea.palmer@gmail.com

Eastleach: church will be open

Southrop: icllewellyn@gmail.com

There will be a Just Giving web page for donations to

avoid handling cash, but if you prefer cheques or cash,

these will be happily accepted too. The money raised will be shared equally between the Gloucestershire Historic Churches Trust and the church of your choice.

Please note that some churches may not provide refreshments, so take what you need with you, and if churches are open, please follow their Covid safety advice.

SPONSORED CHURCHYARD TIDY-UP IN QUENINGTON

Saturday, 11th September between 10.30am and 1pm - you are invited to help tidy up the churchyard and raise money for Ride+Stride. Or you may prefer to clean the church! All equipment will be provided, including disinfectant for tools and hand sanitiser. Refreshments will be available. Do join in and collect sponsors if possible!

FLY FISHING

Alan Maynard writes: Fly fishing - so what does that conjure up? A fly at the river with a rod and line? It's perhaps more correctly called 'fishing with a fly'. But even that sounds like you're taking a fly as a fellow angler!

So, what's it really all about? Fishing with a fly is considered by many as the most difficult method by which to catch a fish, with a hook dressed in feathers and fur. I only fish the 'dry fly' method, where the fly sits on the surface of the water.

First you need to find fish that are surface feeding. Next, you determine what they are feeding on, and look through your fly box to find a good match. Flies come in all shapes and sizes, and are made in a multitude of colours. Most of these flies will never leave the box. There is a saying that more *anglers* are caught by flies than *fish*! Anglers end up with hundreds of flies they like the look of, or are enticed by their colours or names, but will probably never use! Anyway, once you've chosen a good match to what the fish are feeding on (or in my case, a favourite 'lucky' fly!), you can actually start fishing.

The equipment required for fly fishing is minimal. A light rod, a fly reel loaded with a fly line - which is quite weighty and aids in the casting - ending with a fine leader line, onto which you tie your fly. The art of dry fly fishing is to be able to present a hook tied with feathers and fur etc. in such a way as to fool the fish into thinking it's food and taking it. Not easy. The fish aren't daft, and even when they *are* fooled, they will spit the fly out immediately. So, the skill is, in that microsecond between the fish taking the fly and spitting it out, you have to have lightning reactions and set the hook.

On the odd occasions when I can afford to fish, if I do hook one it's with a barbless hook, and I always return my catch to fight another day.

I also collect antique fishing-related articles: reels, lures, flies, tins, gadgets, old books and catalogues on fishing, and so on. I enjoy reading the old fishing books to see how they fished in the past and how the tackle used has developed. I'm always on the lookout to add to my collection, so if you are getting rid of any old equipment, do get in touch!

FISHING LOCALLY

If you are fishing for salmon, trout, freshwater fish, smelt or eel with a rod and line, you must have a rod fishing licence. You may get a fine of up to £2,500 if you are fishing and cannot show a valid rod fishing licence when asked. However, children under 13 do not need a licence. Children aged between 13 and 16 do need a licence, but they

are free: <https://www.gov.uk/fishing-licences/buy-a-fishing-licence>

Licence type	Trout and coarse up to 2-rod	Trout and coarse 3-rod	Salmon and sea trout
1-day	£6	Not available	£12
8-day	£12	Not available	£27
12-month	£30	£45	£82
12-month - over 65 or disabled	£20	£30	£54
12-month - junior (13 to 16)	Free	Free	Free

You also need permission from the landowner to fish on private land. There may be syndicates for anglers, but day tickets may be available. For a day ticket on the River Coln flowing through land owned by the Williamstrip Estate, you can call 01285 750071 (the estate's property office) to see if a day ticket (£100) is available. You also need to check if there is a close season, when you cannot fish.

HIKE FOR HOME START COTSWOLDS

Wednesday, 15th September, Stone Barn, near Aldsworth, Upper Windrush GL54 3RF

Home-Start is a national family support charity that helps parents to build better lives for their children. Each year trained volunteers provide support and friendship to more than 27,000 families and 56,000 children across the United Kingdom.

Home-Start Cotswolds is one of more than 200 local Home-Start schemes which are run as small independent charities under the Home-Start UK umbrella. The scheme supports families with children under the age of 5 throughout the Cotswolds from our office in Cirencester. Volunteers work alongside parents in their own homes to improve parenting skills, boost confidence and well-being, help with family management, and establish social networks.

Hike for Home-Start Cotswolds is a fund-raising walk, which had to be cancelled last year due to Covid. This year it will take place on Wednesday, 15th September, starting and ending at Stone Barn, near Aldsworth, Upper Windrush GL54 3RF (generously offered for the occasion by Felicity and Mark Henriques of Cripps and Co.). It will be a circular walk above the beautiful Windrush Valley.

Tickets are £15 per person, including refreshments. There is free parking at the venue and dogs on leads are welcome. To book your place, visit the website: <https://home-start-cotswolds.org.uk/hike-for-home-start-cotswolds-tickets-on-sale/> where you can select the number of tickets required and pay via Paypal. No actual tickets are sent out, but your place(s) will be secured for the walk and refreshments afterwards and they will email you more information nearer the time.

NEWS FROM THE SCHOOLS

Southrop Church of England Primary School

Together we can fly

The summer has flown by and we have been busy in school over the summer, organising the redecoration and refurbishments of the classrooms and office area. We are very lucky to have one of our parents, Mrs Goldstone, who is an interior designer and able to give us advice. Though it is sad to see the end of the holidays, it is always great to be back together in school, looking forward to an exciting and busy year, hopefully free from the disruptions of the past 18 months. This year we have had five new reception children, who will be settling in with our new EYFS teacher Mrs Blackburn.

We will soon be getting back to Cricklade pool for swimming, Macaroni Woods for Forest School, and up to the field for our PE lessons and after school sports clubs. This year we have introduced a breakfast club - pupils can arrive at school from 8am, for a piece of toast, a play with friends in the playground or some quiet indoor activities if the weather is bad.

The Cygnets will be exploring the topic 'Brave', learning about the Celts, and are off to Macaroni Woods for a Celtic day. Meanwhile the Swans will be looking at the extraordinarily advanced civilisation of Ancient Egypt, and hoping to go to the Ashmolean Museum for an Egyptian Detectives workshop.

We will be holding our Harvest Celebration in St Peter's Church on Monday, 27th September at 9am, and invite any members of the community who can to join us.

If you have a child who will be starting in Reception in September 2022, please come along to one of our open morning sessions to find out more about our nurturing, small school. It is from 9.30 to 10.30am on the following dates:

15th & 29th September, 13th & 27th October, 10th & 24th November, 8th December

Contact us to reserve an appointment slot: admin@southrop.gloucs.sch.uk or 01367 850246. You can also find lots of additional information and slideshows about the school on our website <http://www.southrop.gloucs.sch.uk/> and our Facebook page.

FFF&B PLOUGHING MATCH & COUNTRY SHOW

Saturday, 25th September at Manor Farm, Hatfield,
near Faringdon SN7 8JH

Ploughing Matches have been part of the rural scene since time immemorial and in the early days a champion ploughman could expect a better wage than his fellows.

Today, Plough Match judges look critically for furrows

that are perfectly straight, evenly matched, and completely level. The judges will mark each plot up to a possible 200 points, divided into five sections with a maximum of 40 points each.

The Fairford, Faringdon, Filkins and Burford Ploughing Society was formed in 1947 when four local Farming Clubs merged their respective ploughing matches into an annual event held at various venues roughly within a 10-mile radius of Lechlade. Farming Clubs were set up during the Second World War by the Ministry of Agriculture in order to avoid a food shortage. The

clubs were encouraged to adopt more efficient methods of producing crops, milk, meat, and eggs, and competition ploughing fitted into that programme.

This year's Ploughing Match & Country Show is to be held at Manor Farm, Hatford, near Faringdon. It is hoped to hold a near normal match & show, but one of the main differences

will be that the main marquee will be replaced by a series of smaller open sided marquees. There will be trade stands, outside craft stalls, food vendors, main ring displays, heavy

horses, ploughmen, the working area and an outside bar. The show is run entirely by volunteers (including some of our CHEQS farming families), and many local charities benefit from the profit made by the show.

Please note that the event will be **TICKET ONLY** so please visit the FFF&B website to purchase tickets via the online link. <https://ploughingmatch.ticketsrv.co.uk/tickets/>

QUENINGTON VILLAGE HALL APPLE DAY - SEED SWAP

Apple Day at QVH will be held on Saturday, 23rd October, from 10am - 1pm (last pressing 12.30pm).

The Seed Swap table is a free service, enabling people to bring or take away seeds saved from garden plants, or packets of seeds which are no longer required. *Seed Swap organiser, Anthea Palmer says:*

Please remember to collect your seeds for the Seed Swap - packets need to be clearly marked with the name of the plant and the collection date. You could also add any other useful growing tips. Unused seed packets can also be exchanged.

Some easy vegetables include beans, peas, tomatoes and spinach. Remember: no hybrids; dry seeds completely on the plants for most seeds; reduce cross-pollination by only growing one variety of each species and isolate by distance; only save seeds from the healthiest 'true-to-type' plants.
