Country house renovation and refurbishment

## Hello from... ... Kate Holland

I grew up in Gloucester, and I lived in Buckinghamshire for a few years whilst working at Pinewood Studios and my husband was away training with the RAF. After a few more house moves, we decided to settle in Southrop with our three children. My eldest daughter was starting secondary school - this was seven years ago now.

Southrop is a beautiful village, and I love the community here. I feel very lucky that we have lots going on and great people around us. I run fitness classes in the area and I am passionate about staying active and encouraging others to be active. I am also on the PTA at Southrop School and enjoy planning events.

I recently started a new job working within Cotswold District Council's Community Wellbeing Team as a Community Builder - along with my colleague, Sue Pilling. By engaging with people, we aim to help residents feel more connected to their local communities. We support those who also want to enhance their communities, helping them to bring about people-led action. Everyone in a community has something to offer and evidence tells us that strong communities help reduce social inequalities, improve personal wellbeing, reduce isolation and loneliness, and can help the whole community thrive. This is something I feel very strongly about.

The Cotswolds is a fantastic place to live, with so many assets. In my working role, I aim to help people identify all that is great about where they live, and to help them use that knowledge to build a better life. It is such a rewarding job!

If you would like to meet with myself and Sue, and also your local Police Community Support Officer, for more information on what we do, and to share your ideas for your community (that's all of the CHEQS villages), then please come along to the afternoon tea:

'Community Wellbeing Afternoon Tea' on MONDAY 19<sup>™</sup> JUNE, 1.30-3.30pm at Eastleach Village Hall for free tea, cake and conversation ©

CHEQS Magazine is a free monthly community publication, funded by its advertisers, and delivered by volunteers to about 800 homes in Coln St Aldwyns, Hatherop, Eastleach, Quenington & Southrop.

Current & back-copies of the magazine are available online at:

A THANK YOU

Lucy Abel Smith, of Quenington Old Rectory, writes: In spite of the weather and the loss of three of the exhibitors, the Rare Plant Fair held at the Old Cobalt Rectory, Quenington, was a successful fundraiser for the medical charity, Cobalt. The charity was established in 1964, with the key

goal to deliver improvements in clinical diagnosis and treatments, and to help people affected by cancer, dementia and other conditions. Each year, Cobalt provides diagnostic imaging for over 130,000 patients from their imaging centres in Cheltenham and Birmingham, as well as offering mobile MRI, CT and PET/CT scanners that support NHS hospitals and other medical facilities across the UK.

Cobalt volunteers produced and sold wonderful food and drinks in the Pool House on the day of the Rare Plant Fair, and the takings, along with a donation of 50% of the Fair entry ticket price, came to an amazing £4,000. This money will help the charity to invest in the latest diagnostic scanners to support the diagnosis of cancer and early on-set dementia at the Imaging Centre in Cheltenham.

Thanks to everyone who came, and to those who tolerated the parking on the Green. A special thank you to the Quenington Old Rectory team, who put out the tent, chairs, tables and signage for the day.

#### A STORY FROM THE WAR IN UKRAINE

#### with a local connection

Lucy Abel Smith writes: My husband's brother, Christopher, has long lived in both Russia and Ukraine. The day this unforgivable invasion started, Christopher sent a photograph of one of the drones over his garden. Eight months on, after incessant bombing - and encouraged by the arrival of the Wagner Group\* in Kherson -Christopher, his Ukrainian partner, Natasha, her mother (Valentina), and three large dogs made their way from the island where they had built a house, over the Dnipro River (which is mined by the Russians) to pick up transport to Odessa and drive to Constanta in Romania. From there it is a 9-hour drive to my house in Richis in

Transylvania. I went to meet them. The next day, they heard that their 80-year-old neighbours, who were actually pro-Russian, had been shot by the Wagner Group.

The Romanians have been most welcoming to their Ukrainian neighbours and I discovered that there were Ukrainians living opposite our house in Richiş - a good start. Funding however, will be a problem - Christopher and Natasha had lost practically everything. The EU have been supporting refugees with funding towards energy usage and essentials such as food and other necessities, but unfortunately this was due to stop at the end of April. Natasha and Valentina (who is 80 and speaks not a word of anything except Russian and Ukrainian), received refugee status. My brother-in-law does not qualify. They have all decided to stay in Romania.

In the meantime, in order to obtain some money for them, I had to prove that I own the property, and that I vouch for my refugees. At first, I scanned everything and sent it to the town hall in Biertan, near to Richiş. No good, I learnt - I had to appear in person with the papers in hand. As I am a foreigner, I also had to arrive at the town hall to pick up cash for the electrics, gas and provisions.

As I write the family are looking for a house to rent until they find one which they can buy, with land for the dogs. Then, of course, they have to find something to do.

\*[Editor - Wikipedia (edited): The **Wagner Group** is a Russian paramilitary organization. Wagner operatives have committed war crimes in areas where they are deployed. Because it operates in support of Russian interests, receives military equipment from the Russian Ministry of Defence, and uses MoD installations for training, the Wagner Group is frequently considered a de facto unit of the MoD or Russia's military intelligence agency.]

#### PENTECOST WALK FROM FAIRFORD TO QUENINGTON

Sunday, 28th May from 3pm

To celebrate the coming of the Holy Spirit and the connection with the environment, all are welcome to join with walkers from the South Cotswold Team Ministry. The walkers will leave St Mary's Church, Fairford, at 3pm and walk to Quenington (approx. 3 miles) with pauses on the way for readings/reflection. There will be a shared picnic tea (biscuits & cakes) at St Swithin's church, Quenington, at about 4.30pm, followed by a Taizé Service at St Swithins at 5.30pm.

Non-walkers are welcome to come for tea and the service at Quenington (and possibly give a walker a lift back to Fairford?). All are welcome - no need to be a churchgoer. More info: <a href="mailto:janeykidd@gmail.com">janeykidd@gmail.com</a> and <a href="mailto:clarebrignall@hotmail.com">clarebrignall@hotmail.com</a>

#### **EASTLEACH FROLICS**

#### Monday, 29th May from 11.30am onwards, starting at the playing field

The fun and frolics continue all afternoon, culminating in the regatta of home-made model boats (or water craft of a variety of descriptions!) followed by the tug-of-war in the River Leach. Get busy making your boats, and try to win the prizes – for race winners and for the best-looking boat. £1 entry fee, and it is open to all ages. For more information, see poster p.19 or contact Dylan (dylan-jones93@hotmail.com).

#### **CHEQS CORONATION CELEBRATIONS**

It seems like the villages had a good time getting together for their community Coronation celebrations, in spite of the weather on the Coronation Day itself!

Many thanks to all those in each of the villages who organised and advertised, donated raffle prizes, baked cakes, knitted, ran craft tents, provided music or games, rang bells, hung flags and bunting.

shared food and drink, moved chairs and tables, chatted, attended or otherwise helped everyone to have a good time together.

### Book now for the trip to The Laskett garden, Much Birch, Herefordshire Thursday, 6<sup>th</sup> July

Over four decades Sir Roy Strong and his wife, Julia Trevelyan Oman, transformed a four-acre field into a series of stunning garden rooms and vistas. Set on the Herefordshire and Welsh borders, the gardens reflect the personality of two people and their equally famous acquaintances at the centre of the arts in the latter half of the twentieth century. Acclaimed to be one of the most remarkable and inspirational gardens in England, it was donated by Sir Roy to Perennial, a garden charity, and it is now maintained by them. The overall formal structure of hedges, topiary, statues, and colonnades has been softened with informal underplanting and extensive herbaceous borders. A very different garden.

On our way to The Laskett we will be calling at The Three Shires Garden Centre for refreshments/lunch in their restaurant overlooking the lake. There are toilets at The Laskett, but no refreshments.

Cost £25 includes coach and entry to The Laskett.

**Depart Lechlade 9.30am** Oak St (opposite Jubilee Hall Antiques) 9.30am - park in Memorial Hall Car Park

**Depart The Laskett 4.30pm** - arrive Lechlade 6pm approx.

Please send cheque payable to Lechlade Gardening Club or give cash to:

#### DOG POO IN THE VILLAGES - AN UPDATE

Alun Davies writes: The Barking Mad team joined in with the villages' spring litter pick events to find out more about the local dog litter hot spots, and relay this back to the Parish Councils.

Both Southrop and Eastleach villages were relatively free of dog litter, mainly due to an on-going educational programme and particularly the 'livestock health' campaign undertaken at Eastleach. Quenington and Hatherop parish councils were both due to consider providing poo bags on bins around the village at their next meetings, and Coln St Aldwyns PC have decided to locate dog poo bag bins at certain locations around the village.

#### FROM THE ERNEST COOK TRUST

The River Coln runs from its source at Brockhampton to where it joins the Thames, at Lechlade. An almost 3-mile stretch is at the heart of the Trust's Fairford Estate, from Fairford to just north of Quenington. Like most rivers, the Coln is not immune to the pressures placed upon the UK's water courses: from historic management and interventions, to abstraction, pollution and the gradual degradation of the habitat along the whole course of the river. Together with grant funding from our partners at the Farming and Wildlife Advisory Group (FWAG), we at the Trust have made a significant investment into a programme to restore an ecologically healthy and diverse catchment, within the bounds of our ownership.

At the end of 2022, we embarked on a large project along the 'New Stream' which runs through the water meadows between the Cascades and the Oxpens, towards Fairford. This channel was dug out in the 1980s and had become heavily shaded by dense vegetation - little light could get in, and the habitat was poor. The willow trees have now been pollarded, and the channel has been re-fenced on either side to ensure cattle cannot access the water. This will create a connecting habitat up the river, bypassing the Broadwater (the main river adjacent), which is very wide and slow flowing, resulting in heavy silting, making it unsuitable for a number of river species. We have surveyed the fish stocks in the New Stream,

along with two other locations on the main river, and will re-survey in the future to assess the impact of our work. We were pleased that this first survey showed a prevalence of wild brown trout and grayling on the main river; a very positive result.

We undertake tree safety surveys across the estate, resulting in the removal of a number of trees, principally ash trees, due to ash dieback. Tree safety work will continue, as well as replanting. Other work will include ongoing bank repairs, habitat improvements, and renewing fencing. We also plan to install mains water into the meadows in order to remove cattle drinking points, which will help to reduce pollution and bank erosion.

If you would like to learn more, we will soon be running guided walks, to enable people to explore beyond the permissive footpath areas, and learn more about the wonderful habitat along the river. For more about this, please contact Karen Price our Communities Lead by emailing karen.price@ernestcooktrust.org.uk.

[The Ernest Cook Trust is a UK-wide educational charity which creates outdoor learning experiences for children, young people and their families, on its own estates and with partners across the country. The Trust's vision is for an environmentally engaged society with stronger connections with nature.]

#### EASTLEACH DOWNS ORGANIC FARM

New accessible grass trails and wheelchair-accessible facilities are open on Fridays, Saturdays and Sundays

Sam and Helen Wade write: We've been growing organic food here on our tenanted farm for over 30 years, and now grow cereal and protein crops to feed our herd of free-range, organic British Saddleback pigs. We now have a new visitor centre for people to enjoy.

There is plenty for visitors to see, and they can also learn about the farm as it changes throughout the seasons. The new custom-built accessible 'shepherd's hut' is where visitors can enjoy self-service tea and cake, with a westerly view across the farm and towards the Cotswold landscape beyond. And it's also where you'll find displays of information about the farm. The car park and farm trails are free

to use, there's an accessible toilet near the hut, and also a Tramper all-terrain, electric mobility vehicle available to book (at no cost) Dogs on leads are welcome, as are groups of people.

#### **FAIRFORD TENNIS CLUB**

Cathy Sayers, Chair, writes: It became apparent during the Bank Holiday Coronation celebrations that there's hidden talent out there. Walking through Fairford and Quenington, with people out enjoying a glass, when asked if anyone played tennis, many of you replied, "Yes, but a long time ago!" The next question being, "Would you like to reinvigorate those skills?" and the answer was generally, "Yes, please!" Such a positive response to the idea of joining a tennis club.

Fairford Tennis Club originated as grass courts in the town, on Hatherop Road, in the 1920's. It then moved to Sir Henry Darlington's house in Fairford in 1929, and by 1950 he helped build new courts at The Walnut Tree Field, on a site rented from The Ernest Cook Trust. The latest resurfacing last

winter has given the courts a great playing surface, where social, beginners, juniors and competitive tennis takes place throughout the year.

We welcome all new members - and indeed, generous

benefactors! We have a hut which *could* be transformed into a pavilion, we have lights for evening play which *could* be converted to LED, and our plumbing *could* do with an upgrade. All of this is possible for a lovely local club. Do join up, we offer something for everyone.

Eco tip: A small reminder about saving water. It may seem unnecessary, after the cool, wet spring, but it only takes a few weeks of hot, dry weather to reduce the amount stored in reservoirs. Often taken for granted, water is one of the essentials of life. However, some people have to walk miles each day to collect water. Check out information from WaterAid to find out more.

#### PUT 'COMMUNITY' BACK INTO COLN COMMUNITY STORES!

Manager, Philip Dance, writes: During the Covid pandemic, we drastically reduced the numbers of people working in the stores. Since then, we've been able to use more volunteers, and we are now looking to the community to help increase our team even further. The volunteer shift times (some of which are covered by our existing volunteers) are: mornings (Monday to Friday, 9am to 1pm), afternoons (Monday to Friday 1 - 3pm or 3 to 4.30pm).

Do come and visit us to see if this is something that you might enjoy, and to see if there is a convenient slot for you... we are very flexible! We're asking for a commitment of **one morning or afternoon volunteer shift each week**. We'll provide training and support throughout the shifts.

Working as a volunteer at Coln Community Store will give you the opportunity to meet and talk with a broad range of people within our community and beyond, and help us ensure the longevity and availability of an essential facility.

To find out more, or to offer your help, do get in touch: <a href="mailto:manager@colnstores.co.uk">manager@colnstores.co.uk</a>

#### QUENINGTON VILLAGE HALL COFFEE MORNING

Saturday, 10th June from 10.30 – 11.45am

You can chat to neighbours, meet new people (perhaps!) and enjoy free hot drinks and home-made cakes.

Treasurer, Ray Sheldon, writes: This month's charity is ourselves, Quenington Village Hall! The Hall will be closed during this August whilst we completely refurbish the Hall kitchen. This work is long overdue and will provide the Hall with a modern hygienic kitchen facility for the benefit of all Hall users for many years to come. The budget expenditure of £30,000 will be covered by the Hall's financial reserves, however financial contributions/donations to help towards these costs would be most welcome. You can donate at the coffee morning or if you are unable to attend perhaps a BACS payment to Quenington Village Hall, Sort Code 30-92-06, Account No. 01209610 referenced 'Kitchen'. Details of the work being carried out will be available to view at the coffee morning. Please support your local Community Hall.

#### **DEFIBRILLATOR FOR HATHEROP**

From the Parish Council website: Thanks to the kindness and generosity of the

Lipscombe family, and in memory of Clare Lipscombe, Hatherop now has its own defibrillator. This is situated in the covered village notice board enclosure. Thanks too to the Fairford Lions, who helped with the installation and training in the machine's use. Many villagers attended the training sessions, however, the machine itself will guide users through the process, and is easy to follow. Further thanks go to the Hart family who are providing power to the unit. Hopefully it will never be needed, but it is a comfort to know it is available whenever it may be required.

#### **NEWS FROM THE SCHOOLS**

#### Hatherop Church of England Primary School

Caring, Believing, Achieving

website: https://www.hatherop.gloucs.sch.uk/

Recently, Skylark class visited Cogges Farm. They participated in lots of different activities and had a wonderful day out. Here is what the children had to say.

**Verity:** "At Cogges Farm we milked the pretend cow and saw the cute new baby chicks." **Bea:** "My favourite part was seeing the pigs and rabbits. We made Welsh cakes in the shape of the giant's footprint in the giant's bedroom." **George:** "We had a golden egg hunt at Cogges Farm." **Rudy:** "I loved seeing the pigs."

Isaac: "My best bit was stroking the goats."

In order to raise funds towards their residential trip, Year 5 and 6 arranged a fun run with a difference. Wearing fancy dress, they all headed up to the field and, after some photos, set off to run laps. Well done to them all, some with very tricky costumes to run in!

To celebrate the coronation, the PTA arranged a whole school gathering, involving games for the children,

scones, tea and cake as well as a couple of songs sung by the children. It made for a great start to the coronation bank holiday weekend.

The creative art and science events that the children at Hatherop took part in last term were made possible due to a donation from the Quenington Sculpture Trust. We would like to thank them for their continued support in helping our children access such wonderful experiences.

#### **Southrop Church of England Primary School**

Facebook page: Southrop C of E Primary School

The beginning of the summer term has been a time of great focus for our Year 6s as they prepared for the SATs tests, this year having to navigate around a lot of bank holidays! They took a little bit of a break to prepare a lovely afternoon tea to share with the rest of the school before we finished for the coronation weekend.

Reception and Year 1 also celebrated the Coronation at forest school, crafting crowns from willow and decorating them with flowers and leaves.

SATs week is always a surprisingly calm and enjoyable time. The Year 6s start the day

with a SATs breakfast in the nurture cabin and after their tests are finished spend some downtime working as a team on logic puzzles and doing photo-editing. This

involves skilful editing to put themselves as tiny people in some very imaginative places, for example sitting on a sunset cloud or swimming with a crocodile. Take a look at our website to see a slide show of their creations.

Some of our students submitted photographs to the Gloucestershire Young Photographer Competition 2023 and two photos made it through to be a part of the final display: "Orange You Glad I Entered?" by Téo and "Shadowy Silhouettes" by Oliver. We can see that photography is a craft that is readily accessible to our pupils in, and often out of school too, with the prevalence of tablets and phones, and that it offers them great creative opportunities. We are very grateful to Lisa, from Love Kids Photography, who is coming into school to run a photography club with the older children and we're looking forward to seeing the end results.

You can find lots of additional information and slideshows about the school on our website and Facebook page.

#### **QUENINGTON CAR BOOT SALE**

#### COME ALONG AND JOIN THE BIG SWING BAND PICNIC

Saturday, 1st July picnic from 5.30pm, The Mill House, Coln St Aldwyns

It's that time of year again, when our thoughts turn to balmy summer evening picnics by the river! The Big Band Picnic returns this year with an evening on the banks of

the River Coln at the Mill House in Coln St Aldwyns (by courtesy of Earl St Aldwyn). The music will once again be provided by the Glosjazz Swing Band, which will play old favourites made famous by great bands such as the Glen Miller Orchestra and the Count Basie Band. The gates will open at 5.30pm for pre-concert picnics, hopefully in glorious sunshine, and the music will start at 6.30pm.

Proceeds from the event will once again be donated to the Friends of Fairford and Lechlade Communities – so make sure you come along and support your local hospital service - bring a group of friends with you to make it a really great evening!

Free parking will be available adjacent to the site and entry, payable at the gate, will be £10 for adults and £5 for children under 14.

So, come along, bring your own picnic and drink, and enjoy a great evening in aid of an important local charity!!

#### COLN VILLAGE FETE – SAVE THE DATE

Saturday, 2<sup>nd</sup> September

The Coln St Aldwyns Children's Fete & CHEQS Produce Show is now confirmed for Saturday 2nd September and once again, by kind permission of Earl St Aldwyn, it will be held in the beautiful grounds of The Mill House. There will be delicious food, lots of children's games and entertainment, live music from The Ukey Dukes, stalls, afternoon teas and a bar. You won't want to miss it, so be sure to save the date. Our website is <a href="coloridad.com">coloridad.com</a> and is the place to stay up to date with all the fete news.

#### OTHER EVENTS COMING UP DURING THE SUMMER...

- Royal International Air Tattoo (RIAT): 14<sup>th</sup> to 16<sup>th</sup> July
- Glos. Vintage & Country Extravaganza (South Cerney airfield): 4th 6th August
- Fairford Steam, Classic & Retro Show: 19th & 20th August

Don't forget, you can view CHEQS Magazine in full colour online: https://cheqs.weebly.com/cheqs-magazine.html

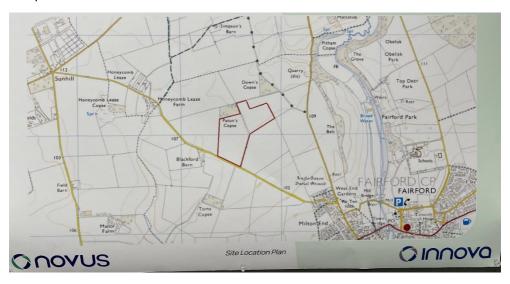

#### **SOLAR FARM PLANS FOR QUENINGTON-FAIRFORD BORDER**

In response to the global challenge regarding climate change, the Government is aiming to de-carbonise the UK electricity grid by 2035. Other sources of electricity need to be used, and the sun's energy, converted to electricity by solar panels, is one of the more obvious and easily achievable ways of doing this.

Last month, a Community Consultation Event was held at Fairford Community Centre. Novus, the company undertaking the building of the proposed solar farm on Ernest Cook Trust land (part of Milton Farm) gave information, and were happy to receive comments and questions about the planned project.

The meeting had not been very well-publicised in advance of it taking place, but the ten display boards were helpful in giving lots of information about the planned project, with both text and visual material such as maps and photographs. Members of the public could ask questions of those present from Novus, and were able to complete feedback forms at the end.

For those who were unable to attend – or did not know about the meeting - photos were taken of the information boards, to be made available on local Facebook pages, and the main points of information are available on the Novus website, where you can also follow the progress of the planning application process:

https://www.novus-rs.co.uk/projects/welsh-way-solar-farm-project/

#### Information from the project planners

"Novus are proposing to construct a solar farm project at land adjacent to Welsh Way, near Fairford. Novus are working with The Ernest Cook Trust, as the landowners and in partnership with Innova Group, who will ultimately operate the solar farm. The site will be able to generate enough electricity to power 2,700 homes.

"The site has been carefully selected and designed through a detailed assessment process considering grid availability, heritage, landscape & amenity, ecology & environmental designations, access, and agricultural land quality. We have engaged a team of expert consultants to undertake site specific assessments which are currently in progress.

"We are keen to hear the local community's feedback on our proposal. We are currently engaging with Cotswold District Council through their pre-application planning advice service, and we plan to submit our planning application in summer 2023."

#### **Honeycombe Leaze**

Of the CHEQS villages, Quenington will probably be the most affected by the plans, specifically the hamlet of Honeycombe Leaze. The increase in traffic, and in particular heavy vehicles, is likely to cause disruption, noise, and potential damage to the roads. The plan is for about four months of building work.

However, there may also be benefits to the solar farm, beyond the environmental ones. A community benefit fund will be established, to give money to the local community. Although the land for the project is within the boundary of Fairford, and therefore it is likely that Fairford would benefit most from the £3,000 or so per year in the fund, there could be a strong case for Quenington Parish Council receiving some of the funds, especially if there were any projects which would benefit the residents or environment of Honeycombe Leaze.
